

To interested businesses, governmental entities, not for profit organizations, colleges and universities:

Effective immediately, ILDCEO is accepting applications for 8 programs funded under the 2009 American Recovery and Reinvestment Act (ARRA) as follows.

GREEN ROOFS PROGRAM: Application Due October 1, 2009

ELECTRIC EFFICIENCY PROGRAM: Application Due October 1, 2009

THERMAL EFFICIENCY PROGRAM FOR PUBLIC FACILITIES: Application Due October 1, 2009

LARGE CUSTOMER ENERGY EFFICIENCY PROGRAM: Application Due October 1, 2009

RENEWABLE ENERGY PRODUCTION PROGRAM: Application Due October 26, 2009

COMMUNITY RENEWABLE ENERGY PROGRAM: Application Due October 26, 2009

GREEN INDUSTRY BUSINESS DEVELOPMENT PROGRAM: Application Due October 26, 2009

NEXT GENERATION BIOFUELS PRODUCTION PROGRAM: Application Due October 26, 2009

For your convenience, I have "attached a matrix" that summarizes program purpose, eligible applicants, and grant levels for each of the individual programs. This should help immensely in finding out if you are an eligible applicant and narrowing down quickly which grants you want to pursue. A full application for each of the programs can be found at www.illinoisenergy.org *(Click economic stimulus program, click to programs that support IL energy program, then click on appropriate program application)*OR** ***feel free to call the Southwest Region ILDCEO office at 618 346-3816 or 618 or 618-939-5262 for an application or with questions.***

Good Luck.

Edie Koch
