The Ambassador Program consists of enthusiastic volunteers who are out in the front; they are seen as the “Face of the Chamber of Commerce” for the purpose of building a strong alliance with the business community. These people donate their time to help build commitment and raise community awareness of Chamber activities and benefits. In doing so, the Ambassadors grow professionally and personally by building business relationships within the community.

The program is ideal if you have a desire to:

- Become more active in the local business environment
- Raise awareness of your business or organization
 - Give back to the community
