

Re: invented – Re: charged – Re: engaged

One of the Chamber of Commerce's major goals is to improve services and to promote our members. We see our Website as one of the best ways of increasing our line of communication and as an excellent tool to assist the Chamber in painting a more realistic picture of who we are and what this area has to offer, to highlight and promote every aspect of our business community, including manufacturing, transportation, major industry, retail from our largest businesses to our very smallest. Our membership will be listed alphabetically, plus they will each have three other categories they can be listed under, giving them even more visibility. We will post their events and activities in the community calendar. Our membership is also being offered numerous low cost advertising opportunities:

(#1) Home Page Advertising the Web site will present a horizontal rotating banner for your ad ~ rotating banner ads on the HOME Page - \$2,500 per year.

- There will also be two smaller horizontal ads at the bottom of the Home Page these 2 frames will alternate each time the site is opened or refreshed.
\$50 per month- 1 year \$600

(#2) Menu Page Advertising the Web site will present stationary Vertical side bar ads on menu pages and tab pages Stationary ads on the MENU and TAB Pages- \$1,500 per year

- Your business can be promoted on any of these 15 Menu Pages
